## Letter from the Editor

Holly Lenz

I got a catalog in the mail yesterday that proclaimed "It's not too late" for Christmas shopping. Gee, I hope not, since I have not even started yet. I have been having a hard time getting anything done lately, and now Christmas is just around the corner. Time to make the Christmas cards, hang the lights, decorate the tree, and yes, shop for gifts. I'd rather be riding.

I have been getting out to the barn to ride every week. Got to have my priorities, right? Sometimes Brian brings Alex and other times he keeps him at home so I can go out. Satin is happy to be ridden.

My parents came up and went horse shopping in Portland. My dad found a nice Peruvian Gelding at a good price. They have not ridden much since they got home, but so far they are delighted with him. I am getting pretty good at finding horses for people. If only it were as easy to find all of the horses homes. The rescues are mostly full, and there seem to be more horses in need of help every day.

On a lighter note, here is one of my favorite holiday jokes to finish up my letter.

Alex desperately wanted a pony. Every year around Christmas time, he would beg and beg and every year was disappointed when there was no pony under the tree. One year his dad got tired of his begging, so he got a great big box and filled it with horse manure.

On Christmas Day Alex opened the box and a great big smile spread across his face as he started digging through the manure.

His dad asked, "What are you so happy about?"

"There's got to be a pony in here somewhere!"

May there be a pony under all of your trees, or a horse in your barn, and may your New Year be filled with horses!

~Holly, Brian, Alex & Satin

### Pacific Northwest Endurance Rides Convention

Bev Ryan 360-907-7001

Mark your calendars, Friday January 22, 2010 (get their early) and Saturday January 23, 2010.

Blake Brown, national and international consulting and lecturing farrier, with over 14 articles to his credit, his presentation entails the effects of confirmation and balance in the foot. Blake is speaking on Friday in the early afternoon and for the continuing education accredited hours for the veterinarians Friday evening. Did I mention he has been a farrier since before 1969? He has a very impressive resume.

The Arabian Silk Documentary is showing early Saturday morning.

Saturday afternoon we have a presentation from Peggy Cummings! Peggy is also a national and international clinician. She will help you with achieving freedom of movement and self-carriage for both horse and rider. (<http://www.peggycummings.com>)

These 3 presentations are definitely a "must see".

The convention and trade show are being held at the Embassy Suites Portland Airport. The Embassy is giving us quad rooms at \$120 per night with breakfast and happy hour each day for 4 guests per room and no additional charges per guest. There will only be so many rooms available, so book early!

Convention costs will be \$57.00 per person, the same as last year. This includes speakers and the banquet. The trade show is free, please feel free to invite your friends and other horse club members to the trade show.

The Team, our trade show and raffle coordinator, have been hard at work for a month now (I have the best team ever) and they are making every effort to pack it full of shopping opportunities and cool raffle offerings! So make sure to save some money and spend, spend, spend, so all of our vendors will want to come back again in 2011. Heck, I may even have a booth this year!!!!

Saturday evening after awards we will be entertained by a live band! They are the same band that played in Pasco. That year due to the really bad weather they had an auto accident in the storm to come and play for us. I know I really enjoyed them that year and felt it was fitting to have them come back again.

## Club News

### A Letter from the Prez

I want to take this opportunity to introduce myself to all of you and let you know a bit of what your Club has on the agenda for the coming year and how you can participate.

First of all, I would like to thank Kaye Phaneuf, past president and one of the founders of AiM for all she has done and continues to do in our Club. Her passion for the Arabian horse is boundless. I thank you Kaye for all you have taught me since I have been a member of this Club.

You all know my name from my emails about AiM activities and award programs for our shows. I have been a member of AiM for several years. My horse, Sasha, is a beautiful (of course) black ½ Arabian mare and is all of 14.3 hands. We are training for dressage but also love to trail ride, go to trail clinics and cow clinics. I am sure that whenever she gets into a trailer she must be thinking, "Now where is she taking me?"

One of the things I love about the Arabian horse is its versatility and durability. For that reason, I hope to hear from all of you Club members out there who do not necessarily want to participate in the Club's horse shows but may have other interests and ideas you would like to see the Club pursue. For example, I know we have endurance riders in our Club. Perhaps we can make the foray into the endurance world again at some level.

One of the activities that I left undone was to organize a cow clinic for Club members. I would like to get an idea of how many of you would like me to pursue that. We can arrange to put one on at Para Hevea, an arena east of Woodburn. The owner there is a wonderfully patient teacher. So email, mail or phone me with your ideas.

Once again the Club will host two horse shows in 2010. Our former Back to Basics dressage show has now expanded into a full sporthorse show with dressage, hunter/jumpers, in-hand, under saddle and carriage driving. That show will now be held at the Mt. Hood Equestrian Center in Boring in April. Jon Howell, club treasurer is the chairman of that show committee.

We will also have the AiM Classic and Region 4 Sporthorse Championship Show at DevonWood again this August. In addition, the Region has given AiM the opportunity to put this Sporthorse Championship on in 2011, 2012 and 2013 as well. That is a wonderful show and a great opportunity for all Club members to get involved. If you are thinking of entering that show, remember that this coming fall is the last time that Sporthorse Nationals will be held in Idaho. After that, it moves to the Kentucky Horse Park. So start training!

Another very important project to be completed this year is revision of the Club's bylaws. Currently the bylaws committee has some different club's bylaws to review to see if we can use any of them as a template for our own. The bylaws not only guide club practice but must also align with Oregon law and rules and regulations of AHA, USEF, etc.

One last thing...thank you so much for participating in the election process. Kathy Darneille did a wonderful job of getting candidate

bios and ballots out to everyone. We had lots of ballots returned. Maybe the next election we will also have lots more candidates!

I look forward to hearing from all of you and to working with Billie Jo Morley, Ahna Bowman, Jon Howell, Kathy Darneille, Sarah Asby, Janelle Wilde, Holly Lenz and Kaye Phaneuf as your Club leadership.

All the best,

Marcia Donnelly

### Letter from the Vice President

Ahna Bowman, AiM Vice President/Activities

Pursuant to our last AiM meeting and election results, I am your new Vice President/Activities person taking over for Marcia Donnelly who is our new President! I'm looking forward to working with the new and returning board members in the coming year.

I'm hoping to hear from you all regarding any suggestions for club activities in the coming year. All ideas are welcome. We're hoping to involve our youth any way we can also.

For now though, the Christmas party is upon us. Our new President has graciously offered to host this year. The date is Dec 12th, time: 2:30 – 6:00pm. As usual it is somewhat of a pot luck, so it would be great if I could get some RSVP's along with details about what everyone would like to bring. Sooner is better, as I would like to try to have that coordinated before I leave for convention. Time will be short after that. Please E-mail or call. I am happy to get phone calls – slower on the e-mail J 503-640-9689. I look forward to seeing you all at the Christmas party and in the coming year.

I will be posting more details in the coming weeks or you can also look to the AiM Web page.

**Spring Show Committee Report - AiM at the Hood**

Jon Howell

Our Spring show has been redeveloped to become a full 5 discipline Sport Horse Region 4 Qualifier, and will include Dressage, Carriage, Hunter/Jumper, Sport Horse in Hand and Sport Horse under Saddle. The show will be held April 23-35, 2010 at Mt Hood Equestrian Center in Boring, Oregon. At this date, almost all all judges and officials have been selected:

- Kari McClain (R), Washington - Friday Dressage
- Donna Longacre (R) - Washington - Friday night Sport Horse under Saddle, Carriage, Saturday Dressage & Sport Horse Show Hack, under Saddle and in Hand - Open
- Judge TBA - Sunday Hunter/Jumper & Sport Horse in Hand ATH
- USEF Steward - Pat Hough, Washington
- Show Secretary - Kaye Phaneuf
- Show Manager - Jon Howell

A complete class list will be published on the AiM website as soon as the judge selection is completed. The complete Prize List should be available on-line by December 1.

This show is a fully licensed and recognized competition with USEF, AHA and USDF, and will serve a qualifier for both our August 2010 Region 4 Sport Horse Championships as well as AHA National shows, including Sport Horse Nationals to be held in Nampa, Idaho in September 2010. Dressage will also be registered with ODS. This is a great way to get your qualifications done early for each 2010 AHA National show, if that is your goal for the 2010 show season.

We are very excited about this show and the new facility, which offers our Club a better cost structure for this extended show. MHEEC has undergone substantial renovations in the last year and they are continuing. The show will be 100% indoors as are all stalls, so the weather outside might be frightful, but our show will still be delightful. Freeway and highways access is excellent as the facility is just off US 26 between Gresham and Sandy. The facility has lots of parking for long trailers and RVs. Our designated show hotel is just 5 miles from MHEEC, which is a very great convenience for our officials and out of town exhibitors. I encourage you to keep checking our website for updates on this show, and also check out MHEEC's website for information on the facility improvements and enhancements.

I also want to express my personal thanks to our Spring Show Committee who have worked very hard to develop this vision and see it through to completion: Ahna Bowman, Barbara Zellner, Billie Jo Morley, Kaye Phaneuf, Lisa Kolke, Marcia Donnelly, Sarah Asby, Scott Bowman. We've had several long meetings and everyone has gone home from them with a list of tasks. It's been a great team to work with, and our work is not yet done, as many details and arrangements remain to be completed.

Please help this show be a success by entering, volunteering and spreading the word among fellow Arabian/HA/AA owners and riders you know within and outside AiM. Running a 5 discipline Sport Horse show in one ring over three days is going to take a lot of volunteer effort. It's also a great way to connect with the AiM community, and have fun at the same time!

**ODS High School Dressage Program**

Jon Howell

I took my daughter and two other HS riders to the 2009-2010 kick off meeting at Gaye McCabe's home.

It's very exciting - the program had 50 kids last year and 19 received their School athletic letters at a result of the program.

80 kids are expected this year.

It's a key point that this program is wholly separate from OHSET and is Dressage-only, with the rides being done at ODS League and Open shows. Our ODS-registered AiM shows also count, and if we can get a minimum of two teams of 3 to compete, I will obtain ODS HS Team ribbons to award at our AiM at the Hood show. I believe there are enough Arabian & HA/AA youth riders in the Club to make this happen.

Clackamas County has 8 enrolled right now and more expected, and will sponsor a team, possibly two. We are talking about organizing a West Clackamas County schools team with riders from Lake Oswego, Tualatin, Riverdale, Westside Christian, West Linn and Wilsonville, since none of these schools have their own program. The other County team will include Oregon City, Estacada, Colton, etc.

The kick-off show will be the ODS League show, Dressage for the Ages, to be held March 13-14 at the Salem Fairgrounds.

If any youth members have an interest in participating in this program, please e-mail me at [jhowell@dilocpa.com](mailto:jhowell@dilocpa.com) if you reside in Clackamas County, or Gaye McCabe ([j-g.mccabe@juno.com](mailto:j-g.mccabe@juno.com)) if you reside elsewhere, and we can direct you to the contact for your region or school team.

Jon Howell, Kaye Phaneuf and Karen Bragg at AHA convention.

## Club Minutes

### Minutes of the Meeting, Arabians In Motion Tuesday October 27th, 2009.

Katharine Darneille

The meeting was called to order by President Kaye Phaneuf at 6:55 PM.

Members in attendance were: Sarah Ashby, Ahna Bowman, Scott Bowman, Joann Collins, Kathy Darneille, Marcia Donnelly, Jon Howell, Billy Joe Morley, Kaye Phaneuf, Janelle Wilde and Charlotte Wilson.

Minutes of the September 8th meeting were approved as printed in the AiM Newsletter.

Treasurers Report: 2009 Expenses, We broke even on the Aim Classic/ Region 4 Sport Horse Championship Show. We would have been seriously in the red, if it were not for Region 4 subsidizing the awards. Delegate expenses for Convention are paid except for the hotel rooms. Jon Howell continues working on gaining the 501c3 status for our club. There are no other outstanding bills at this time.

Membership: Sarah Asby reported, we currently have 99 members. 86 adults and 13 youth members.

Activities, Marsha Donnelly reported that AiM did not participate in the Canby 4-H Tack sale this fall. She attended the Trail Clinic in Eugene and had a very good time. She reported that the cow clinics at Para Hevea start at 9:00 am. and are \$10.00 for 1 1/2 hours.

Jon Howell reported that the Spring Show will be at Mt. Hood Equestrian Center, April 22 - 25, 2010 and will be called "AiM at the Hood". This show will offer all of the Sport Horse Classes and may even become recognized with ODS USDF and USEF. Marsha Donnelly volunteered to organize the awards. Maybe even "Hoody Sweatshirts". Jon Howell will manage the show, Kaye Phaneuf will Secretary and Pat Hough will Steward.

The AiM Classic / Region IV Sport Horse Championships will be August 6-8 at DevonWood. The contracts are finalized. Jennifer Milborn is working on Judges. Ahna Bowman will give Jennifer a judges list to work from.

It is time to talk about extending the contract between Region 4 and AiM to host the Region's Arabian Sport Horse Championships. More information to come regarding this after Convention.

Karen Bragg is still working on up dating our By Laws. Scott Bowman will get a copy of OET's By Laws and see if he can help out.

Logo Clothing. Maybe Susan Howell will take this over. Should we choose AiM colors? Maybe AiM's Youth Members could design a new AiM Logo as a project. Jon Howell will check with Susan to see if she is willing to do this. Ahna Bowman will talk to the Youth to see if they are willing to take this on as a project.

OLD BUSINESS: Club Level Volunteer Service Awards were

presented to Marsha Donnelly and to Sarah Asby.

NEW BUSINESS: Albany Horse Expo, Peggy Weems has asked AiM if they would step up and coordinate Region 4 and Arabian Horses at the Albany Horse Expo this year. Carly Benson has asked to have Arabian Endurance Horses represented. Ahna and Scott Bowman will take charge and will get logistic information from Peggy Weems.

Board Nominations and Election of Officers. There were 8 Board Positions and 8 nominees. Everyone was nominated to the board that ran for a position. The AiM Board choose the following Officers:

Past President: Kaye Phaneuf  
President Marsha Donnelly  
Vice President Activities Ahna Bowman  
Vice President Administration Billy Jo Morley  
Secretary Kathy Darneille  
Treasurer Jon Howell  
News Letter Holly Lenz.

Kathy Darneille commented that the voting process was very successful in that 27% of the ballots were returned and that all the addresses on the mailing list were correct.

Janelle Wilde volunteered to take over the AiM Website.

There was a question of how much should we follow our old by-laws. There was a short discussion and it was decided we continue on as we have been until we get our new by-laws.

The Christmas Holiday Party will be Saturday Dec. 12th. 2:30 - 6:00 at Marsha Donnelly's home.

The meeting was adjourned at 8:20 pm.

Respectfully Submitted by Katharine Darneille

**HORSES NEED HOMES:** My name is Jody Kidd, I am currently living in Arizona, but have horses in Eatonville, WA that I have been trying to find homes for since August. I have friends who have been feeding and caring for the horses on our property there while all of us have been trying to find home, but the sale of our property closes at the end of this month and I have no where to go with them. I don't know anywhere else to turn. Can you help me, or give me some direction? My contact number is 253-905-3309 (cell), or 623-388-0626; or by return e-mail.

**Jubilee** is 24, mare, Arab cross and gaited. I've had her for 17 years. She is the "Bell Mare" of the herd. She suffered an injury to her front right before I got her and developed a bone spur on her right front coffin bone. Up until 6 years ago she and I would take off on the trails for all day rides, but as the bone spur grew she is now unable to carry an adult's weight. She's great with small children (up to 8-10 for size/weight) Needs to be worked on soft surfaces, and can not be shod (extreme pain due to the percussion of nailing shoes), does better on grass than alfalfa. Very gentle.

**Lucky** is the only gelding in the bunch, Arab, about 14 years. He sustained an injury to his right front knee about 7 years ago, which is when I adopted him. Does fine with flat work and easy trail riding, but not a horse for steep trails or rugged terrain. Gentle with children. I believe he has been worked English as well as Western. He's smart, and very tactile. He'll grab the hose from the water trough and spray the mares, or you if he's able. Will pull combs, brushes, and carrots from your back pocket if he has the chance. Knee gets a little stiff and benefits from a good massage.

**Princess** is 15, Arab mare. She has basically been a pasture pet, although she's had some ground work under saddle, she's never been ridden. Would be a great project horse for someone to start. Good hard feet, never been shod. Princess needs to be with another horse and is very attached to Jubilee.

**Chloe** is papered Arab mare, 16 years. She's been worked bareback, and under western saddle with a side-pull but has never carried a bit. Very gentle, easy keeper. Would be a good project horse as well. Never been shod.

**Cricket** is a papered Arab mare, 16 years. She and Chloe were bred on the same farm and have never really been separated for any length of time. She has primarily been a pasture pet, very eager to learn. Very gentle, easy keeper. She'll follow my anywhere, including up the steps onto the back deck if I let her.

I would be willing to gift these horses to 4H or Pony Club members. The mares have all been together for 14 years, Lucky joined the group 7 years ago. They've been wormed regularly, every 8-10 weeks and received their trims the last week of October. They have not had dentals for some time and are due for shots. Jubilee and Lucky load fine in straight trailers, but the other 3 have only been hauled in slants. It is important to me to keep Chloe and Cricket together. All, except Princess, are very social; she's a bit more timid but will come around to you with a little time and attention.

**WANTED:** Looking for someone to start this talented Anglo-Arab filly under saddle. Would like a good, solid 60-days to establish walk, trot, canter with leads, and a "don't kill me" mentality. Ground work has been started, and I don't think Indiannapolis will be a problem at all, but I just do not have the time between work, work, and more work, and the 9 other horses that share my limited time. Willing to exchange yearling show gelding, Minneannapolis, Sweepstakes, SHNPayback, USEF Lifetime Recorded with show experience in hand, a wonderful disposition, and gaits that are beyond extreme or, FS Alicia, a wonderful Sweepstakes Nominated, SHNPayback broodmare possessing some of the most desirable sporting lines in the Russian and Polish Arabian Stud Books, including Aswan, Bandos, Mellon, Eukaliptus, Comet, and RD Five Star, among others. She is broke to ride, but has not been ridden for over a year.

## Share a bit of the Pacific Northwest with your friends and family this holiday season

Menagerie Farm's Christmas venture, Wilde Ivey Christmas Wreaths, will bring the aroma of Christmas to all of your friends, family and business associates -- and don't forget to treat yourself.

Again this year, we are offering holly in the wreaths. The 14" wreath with holly makes a perfect table decoration...just put a large candle in the middle to complete the festive look. The larger wreaths with holly are simply gorgeous on your door or on the mantle.

Our wreaths are handmade from fresh greenery picked from our own backyard! (It helps that our backyard is 20 acres!) Being handmade, each one is a completely unique, one-of-a-kind gift.

You have a choice of three sizes this year: 14", 18" & 24" (that's minimum—it will fluff out bigger). And they are about 4" thick, with 5+ lb of material. Many commercial wreaths are an inch thick with the minimum amount of material and are often made in September! You can smell the freshness in Wilde Ivey Christmas Wreaths.

The greens will include some or all: Douglas and White fir; various types of cedar; pine; blue spruce. If you have a special request to leave in or out, just let us know.
