Holly Lenz

Alex turned one last week. I can't believe it has been a year already! He walks now, though he still falls quite a bit too. I feel bad for him, but I can't always catch him. I am looking forward to the day when he can ride horses with me, but I'm not going to like it when he falls off!

I rode today. It was sunny in town, but the weather could not make up it's mind when I got out to the barn. It rained and hailed and was sunny too. I was a bit concerned saddling up, but still had a pleasant ride in spite of the odd weather. Satin was surprisingly mellow. Usually she is nervous when the weather turns, but she is getting older, so perhaps she is getting wiser too.

I just finally got around to calling the Blanket Lady about getting my blankets cleaned. Last year I tried to do it myself, but the turnout was still orange after hours of hosing it off. This year I decided to leave it to the professionals.

The 4H sale is coming up October 16. I reserved a spot again. The spaces are large, so if anyone wants to sell a saddle or anything, I can see if it fits. I'll be selling art and Avon, as I don't have any tack to sell.

I took a few photos at the AiM show. They are on my Facebook page, so feel free to take a look. Congratulations to all of exhibitors!

Club Minutes, August 23, 2010

Minutes of the meeting, Arabians In Motion, Monday August 23, Dennys Restaurant, Woodburn, Oregon. The Meeting was called to order by Marcia Donnelly at 6:45 pm.

Members in Attendance were: Kathy Darneille, Barbara Zellner, Lisa Kolke, Nathan Asby, Sarah Asby, Carissa Carter, Travis Carter, Scott Bowman, Ahna Bowman, Jennifer Hoyt, Susie Howell, Jon Howell, Marcia Donnelly, Zoe Anne Arrington, Kaye Phaneuf, Beth Bonham, Barb Dancils and Janelle Wilde.

Minutes of the February 25th meeting were summarized by Marcia Donnelly. Marcia made a motion to approve the minutes as read, Zoe Anne seconded the motion. However, there was a friendly amendment from Lisa Kolke to correct the Treasurer's report to read Total of Checking and Saving Account Balances in the Bank is \$24,870.50. Lisa made the motion for correction and Janelle seconded the motion. Motion was voted on and approved. Lisa made a motion too accept the Treasurer's report as corrected. Kaye seconded the motion. It was voted on and approved.

Jon Howell gave the P & L statement for the AiM at the Hood Show. Revenue \$24,782.00. Expenses \$22,277.00. Profit \$2505.00. Jon said he would build PDF Files for the AiM Groups e mail. Janelle made a motion to put the financial reports on the Yahoo Group list in what ever form that Jon chooses. Motion was seconded by Zoe Ann. Jon said Financials would be posted every quarter. Motion was voted on and Passed. Jon's question was; Shall financial results be approved by committee before being posted? After discussion it was decided that financials would be posted after being approved.

There was a discussion of a financial audit committee to be formed from members who do not show. Is this something we want in the Bi Laws? This was tabled for later discussion. Jon still intends to write a Banking procedure that will become part of the Bi-Laws.

Activities, Ahna said she did not go the Youth Nationals this year. Jon Howell assumed her duties as Region IV Youth Coordinator. Jon said there was not much to tell. Mandy Howell was the Youth Delegate for Region IV and she attended the Youth Convention. She had a good time at the Convention. The Region IV Youth are ageing out and it is time to bring in more youth.

Marcia reported that the AiM Club trail ride has not happened yet. She will look into it for a September Event, to take place at Willamette Farms.

Old Business:

The Bylaws issue is still simmering. Marcia and Sarah will review the OET Bylaws that Karen Bragg shared with us. Scott will scan OET Bylaws and e mail to other committee members to look over.

AiM at the Hood Show report. Final horse count was 116 horses shown. WOW! Exhibitors loved the facility. We should increase stall fees next year and make a better profit. The show was a class act. There were several Vendors.

AiM Classic and Region IV Sport Horse Championship. Jon has gone through the preliminary financial reports and feels that we

made a profit. He feels that we can ask for less money from Region IV next year to support the awards given. We are hoping that Region IV Sporthorse Championships show will be able to support itself soon. The next 3 years the show will be held at the end of August. 2011 show will be at DevenWood. All divisions grew their class sizes. All Championship Classes had top 5 horses.

New Business:

Elect Delegates to represent us at Convention and at the Spring and Fall Region IV meeting. The number of Delegates is based on AiM memberships. We will have 3 delegates and 3 alternates this year. AiM will pay for their registrations, hotel and travel to convention. Convention is in Florida. There were 7 AiM Members who put their names forward and explained why they wanted to be delegates representing AiM at Convention. We had some very convincing speeches.

The Delegates are: Ahna Bowman, Sarah Asby, Lisa Kolke.
The Alternates are: Janelle Wilde, Jon Howell, Kaye Phaneuf.
Stand-by Alternate: Scott Bowman.

Jon will register everyone for convention. Sarah will make Hotel reservations for everyone. Each person will make their travel arrangements and be reimbursed by Jon. AiM will donate a door prize gift for convention. Janelle said she would donate a bottle of wine.

There was discussion about the Barn Party at Sport Horse Nationals in Nampa. Kaye made a motion that AiM put forward \$200 toward the Party. Motion was seconded. Voted on and passed. Janelle will bring wine. Everyone else will donate something to the party.

Election of officers will be Nov. 9th. Ballots will be mailed out by Oct.8th. There will be 5 weeks to get nominations to the Nominating Chair Person, Kathy Darneille. These nominations are for AiM Board positions. Marsha will outline the nomination process and send out information on YaHoo Groups and e mail.

Meeting was adjourned at approximately 9:15 pm.

Following the meeting there was a brief discussion about amending the election part of the Bylaws before board election takes place. It was decided that there is enough time to do that, if it is done immediately. Amendments must be in writing and submitted to the AiM Members 30 days before they can be voted on.

Respectfully Submitted, Katharine Darneille

AiM Member Spotlight: Tracy Graham

AiM has several members who are professional trainers who not only train Arabians for their clients but show Arabians/Anglo Arabians/Half Arabs in our shows. This month, trainer Tracy Graham who lives in Salem was kind enough to answer questions about her involvement with the Arabian breed and training philosophy. Other trainers who belong to AiM and actively participate in our shows either riding or coaching clients include Tracy Moneta, Koby Robson, Katy Stoddick, Ahna Bowman, Karen Bragg, Karen Miller and Jessica Wisdom. Thanks Tracy for taking the time to answer my questions.

1. How long have you been associated with the Arabian/AA/HA horse breeds? Have you owned any of these horses or just trained them for clients?

I received my first Half-Arabian as a birthday present 29 years ago. I've owned and trained many different breeds, but the Arabians have always been my favorites.

2. What do you like about working with Arabian and Arabian cross horses? What are some of the limitations?

For me it's all about the personality. I love smart horses with big personalities and great work ethics. I also think Arabians have a kindness about them which makes them great kids and amateur horses. As for limitations, I'd say size and the lack of availability of well trained horses. It is difficult to find a part Arabian big enough for large riders to compete with at open shows. You can't send a six foot tall rider into an equitation class on a horse under 17 hands at an open hunter show. It's also difficult to find hunter horses who aren't green and dressage horse who are trained past second level. Those are the two main reasons my clients end up buying other breeds.

3. What is your background in terms of riding, showing and training horses?

I was on a pony before I could walk, rode in my first show when I was 6 years old. I showed western and english until I was 12. At that point I started showing hunters and jumpers exclusively, mostly the open "A" shows and an occasional Arabian show. I became a working student at 12 and turned pro at 19. We always incorporated a lot of dressage into our training but I didn't seriously compete in dressage until 2004.

4. What is your training philosophy?

Keep it simple. Be consistent and listen to the horse. If you can do those three things the horse will trust and respect you, and once you have that the training is fun.

5. What do you find most rewarding as a trainer? What is the most frustrating part of being a trainer?

The most rewarding part is getting to that level with a horse where you have complete confidence in each other. It's the point when you really are working as a team. Also watching your students as they break through to the next level.

The most frustrating part is people with unrealistic expectations. You get out of this sport what you put in. If you're not willing to work and put in the time and spend the money to get good instruction don't complain because you're not progressing as fast as someone else who is doing those things.

6. What are some of the highlights of your training career?

This one is hard. But here are the ones I'm the most proud of:

1993 Canadian Reserve National Champion Working Hunter riding Darq Agent. The best horse I have ever ridden.

1995 Youth National Top Ten won by my student Brittany Powell. My first student to compete at Nationals.

Farnley Magician 2003 Canadian National Champion and three Top Tens with myself and student Lisa Bales riding. Purchased very inexpensively because he bucked like a demon. He is currently winning with an 8 year old rider.

MJ Partyhardy purchased as an unbroke 5 year old, shown as a hunter and set to debut at Prix St. George next year. Multiple Regional Championships and National Top Tens along the way.

*I'm not sure if this is considered a highlight, but yes that is me in Anna Mullin's new book *The Complete Guide to Hunter Seat Training, Showing, and Judging*.*

*My students and I were demo riders at the NW Horse Expo a couple of years ago for Ms. Mullin. When she started work on this book she contacted me to find out if I would be willing to help her with the photos. She used mostly top junior riders in her book but didn't think they were capable of the lateral movements she wanted to include. My horse is *All the Rage* a Half-Arabian who has since been sold to North Carolina. You can find the book and my photos at www.annamullin.com*

7. What advice would you give to anyone considering a career in training horses?

Become a working student or apprentice for the best trainer who will take you. You can't learn to be a trainer by reading a book.

FOR SALE: Watermark by Wintwerprinz (Hanoverian from Yarra Yarra Ranch) 2008 bay gelding out of Sporthorse Champion in Hand, Hanoverian approved Arab mare. Fluid gates and show off personality. Half brother is 16.3 hands at five years of age. Registered AHA. \$6,000 photos and video available.

Linda Royer, 503-789-5650, Oregon City; llroyer@aol.com

FOR SALE: If anyone is looking for a lovely Arabian mare for a student or friend, Myte High Society ("Duckie") is 13 year old 14.3H Chestnut with 3 white socks and some very pretty white markings around the eyes. She is Polish lineage but very calm and steady. She would be absolutely perfect for a Youth Rider that wanted to show Arabian, Open Dressage, OHSET, or whatever. She's pulled a carriage (not with her current owners) and has shown Western as well. She is registered with AHA. Owner is asking \$4,500 but is negotiable. She's on Dreamhorse #1581842.

My daughter's horse managed to bang her leg in the trailer on Aug 1 on the way home from AHA Youth Nationals, and lay herself off work for 3 weeks, so we borrowed Duckie from our friends and showed her last weekend in the USEF/Glisan Street/Junior-Young Rider HS Team Championships at DevonWood.

Mandy and Duckie won Champ in the Training 3/4 Division and Res Champ in Training 1/2 with a 66.400% and a 66.785%, respectively. Duckie also went Champ at the same show last year in one of the Training Divisions, with her youth owner riding.

Mandy rode her once for about 15 minutes back in February, and Duckie's been out to pasture since then with infrequent riding before this show. Mandy schooled her on Friday and the scores went up on every ride over the weekend. Mandy feels Duckie is highly capable at both Training and First. She's well shod and well cared for.

Any decent youth rider with suitable coaching should be competitive in Dressage on this horse. I wish we would have found this mare as a 1st horse for Mandy, and I wish I had some property where I could keep her without paying more \$\$\$ for board. I wish we could have qualified her for ODS Champs or SHN, because I'd take her along to those shows in a hot minute. She's just a jewel.

For Sale: Adrian Medven is looking for a new home for Sissy. This mare has been shown lightly and very successfully. She was a Supreme Champion Sport Horse In Hand under Ali Buchanan. She has had two foals by Kolors+//, both of which are beautiful, athletic individuals. Her daughter, KAITLYN KOLORS, is owned by Linda Martin of Glisan St Saddlery. This mare can jump a little and could probably jump alot with training. She has been ridden in the mountains, rivers and streams. She is dead broke and very easy to be around on the ground. She has a HUGE trot and could easily do endurance or upper level dressage. Quite frankly, she is a more correct version of Skippy with bigger gaits. This video (<http://www.youtube.com/watch?v=6SPQRZooVsQ>) is her first ride of the Spring and you can see she is rusty, but can also see the quality of her gaits, and easy forwardness. She rides like a sports car, not a sherman tank. She would be perfect for a young rider or an ATR. She could be your next "forever" horse.

Please call Adrian if you are interested at 425-413-1072 or email adrianm@comcast.net. You can also email Lisa for photos and information lkolke@aol.com.

FOR LEASE: Acapella Rain is a registered 2005, 14.1 hand, chestnut Arabian mare. She is well started under saddle, but not finished. Pella is a nice mover with natural rhythm and is easy to handle and be around. She hauls, clips, and bathes. Pella has been shown extensively in-hand through OHSET, 4-H and class A shows. Pella shows lots of potential to succeed on the sport horse circuit. At the 2009 AHA Region IV Sport Horse Championships she earned reserve champion dressage training level AATR and top 5 sport horse under saddle junior horse. She enjoys variety and is good on the trails too. Her owner is off at college and wants to find someone to love and ride this special, cute mare. Watch for her at the 2010 AHA Region IV Sport Horse Championships in dressage and sport horse under saddle.

Lovely Grey Arabian Gelding, named Carismatico (Tico), nine years old, a solid 15.2 hands, short backed, long legs, good feet and a winning personality. Tico has had over six months with a professional trainer in Bend. His trainer is a dressage rider and she took him to a couple of open dressage shows for fun. He does love to get out and do things! His registered name is FCA Carismatico if you want to look up his pedigree (3/4 Spanish). I am taking him back to Bend (I live in Fort Klamath) by the first of April. I am asking \$3,500.00 for him; which is under what he would sell for in normal times. I am most interested in the right person and place for him. If you are interested or have questions please call. My name is Gail Rickards at 541-381-2218 or by e-mail fca3@earthlink.net. An appointment may be made to see and/or ride him by calling Carrie at Double Eagle Ranch in Bend 541-385-8372.
