Tired of road dust after a day on the highway?

If a tender undercarriage has you stepping gingerly - try this out!

Saunter on over to the Exhibitor Party on Thursday evening for a casual get together, a few snacks and some beverages!

SPORT HORSE IN HAND

For rules pertaining to Arabian Sport Horses, refer to USEF Rule Book, Arabian division, subchapter AR-13. In Hand classes will be held on the triangle. Classes with the same AHA code and fewer than 3 entries may be combined.

- In Hand classes will not necessarily run in the order printed in the prize list. Any changes in tentative class order will be posted at www.arabiansinmotion.org.
- Final order of class go and list of entries in each class will be posted at the show office and in-gate before the start of the session.
- It is the exhibitors' responsibility to follow how quickly classes are progressing and to promptly present themselves when the gate person **calls for their class**. PA announcements, if made, are only a courtesy. Order of go for the class will be determined by the gate person with consideration to handlers presenting multiple horses or exhibiting in other arenas.
- When everyone at the gate has shown, the class will be closed. Exhibitors on the roster who have not checked in will be recorded as No Shows. There will be no delay of classes (i.e. gate holds) for Sport Horse Classes.
- Scorers will be at arena-side scoring in real time. As one horse leaves the ring, the score for the previous horse will be announced and posted at the gate. Exhibitors who are not in the ribbons are free to leave.
- Awards will be presented **in the arena** following each class. Please be ready to reenter the arena as soon as the last horse in the class is done. Don't forget to pick up your score sheet afterward at the show office.

AiM Classic In Hand : Champion and Reserve Champions will be determined by score, and will be presented at the end of each division. For example, the top scoring horse from classes 135 and 136 will be named Champion Stallion, with the second high score named Reserve Champion.

Note: In sport horse classes, champions and reserves must be at least 2 years of age.

Time is limited. In fairness to other competitors, if you are not at the in-gate when your championship is announced, we will assume that you have chosen not to take advantage of this opportunity for recognition. Ribbons and score sheets may be picked up from the awards desk after scores have been posted. If your horse is not Champion or Reserve, you are free to leave.

Region 4 In Hand Championships: To be eligible, horses must have qualified and be at least 2 years of age. In hand times are limited. However, we will run a modified open card system, so if you anticipate a conflict with another ring, please share that information with the Paddock Manager. Every effort will be made to accommodate your needs. In classes where horses compete individually, failure to check in with the Paddock Manager or to enter the competition arena at the assigned time will result in elimination. Your cooperation is greatly appreciated.

United States Dressage Federation Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 125 independent organizations throughout the United States with a membership in excess of 33,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force.

Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider.

Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed. Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life. While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods.

A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Competitor & Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership, Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF NM fee. (Note: USDF business members can own horses but cannot compete as riders with their USDF BM.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, Pas de Deux, Quadrille, FEI ParaEquestrian classes, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders' Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 and a USDF NM form per competition that must be collected by the show secretary and submitted to USDF along with the USDF Report of Fees document and the \$5 affidavit fee if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF member there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders' Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$95) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders' Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
